Department: Public Works

Division: Utility Services

Position: Senior Engineer – Surface Water & Utilities

Who May Apply: Any Qualified Applicant

Employment Status: Regular Full-Time

Salary Range: Grade 127: \$6,685 – \$8,991/mo. (DOQ)
(Salary effective 01/01/2024)

Posting Opens: April 24, 2023

Closing Date: Open until filled

DEPARTMENT / OFFICE

This position reports to the Public Works Deputy Director and is in the Lewis County Public Works Department, located in the Public Services building at 2025 NE Kresky Ave, Chehalis, WA.

POSITION SUMMARY

Under limited supervision, performs professional work of considerable difficulty in managing and coordinating design, engineering, development, flood control, stormwater drainage, river management, bridges, utilities, and infrastructure projects for the Public Works Department (PWD). This position may have direct and indirect reports.

The Utility Services Division is responsible for establishing, operating, and maintaining public systems for the supply, treatment, and distribution of water and for the collection and treatment of wastewater and stormwater. The Utility division coordinates closely with the Engineering Services' surface water engineer. Currently, Utility Services manages and operates the Vader - Enchanted Valley Water System and the Middle Fork Water and Sewer System.

This position is covered by a collective bargaining agreement between Lewis County and Teamsters 252. New employees must successfully complete a six (6) consecutive-month probationary period prior to obtaining permanent status in this classification.

HOW TO APPLY

Interested individuals are encouraged to apply online at <https://jobs.lewiscountywa.gov> and to view application materials and job description.

Late applications will not be accepted.

Applicants with disabilities who need accommodation with the application and/or selection process should contact the ADA Coordinator, Human Resources at (360)740-1408 or (360)740-1480 TTY.

WHO MAY APPLY

This recruitment is open to any qualified applicant who meets the minimum requirements and can perform the essential functions, with or without accommodation and possess the knowledge, skills and abilities as identified in the job description. Any Qualified Teamsters 252 Supervisors Group member will be given priority.

MINIMUM REQUIREMENTS

- Bachelor's Degree in Civil Engineering or related field; AND four (4) year's professional civil engineering experience
- Must be registered as a Professional Engineer with Washington State Board of Registration
- Valid Washington State driver's license.

Desirable Qualifications:

- Previous experience managing contracts in Washington State.
- 2 years' experience as a supervisor or in a lead capacity.

APPLICATION REQUIREMENTS

The following items are **REQUIRED** for your application to be considered complete and for you to be considered for this recruitment.

- ✓ **Letter of Interest Outlining Work Experience and Qualifications**
- ✓ **Resume clearly outlining current/previous work experience and education**
- ✓ **Specific technical training and certifications are required, depending on area of responsibility**
