DEPARTMENT / OFFICE

This position is within the Lewis County Public Works Department, Engineering Division, located at 57 W Main Street, Chehalis, WA.

POSITION SUMMARY

This is an FLSA non-exempt represented position by the Teamsters Local Union No. 252 Collective Bargaining Unit.

One of Lewis County Public Works Department's primary responsibilities is the maintenance and construction of the county road network. The Engineering Division is responsible for providing engineering and program management for improvement and presentation of a safe and efficient county road network system and for obtaining flood water control through efficient storm water management programs. In addition, the Public Works Department reviews and inspects subdivisions and utilities. Staff engineers analyze flooding issues, design culverts, and conduct traffic investigations.

New employees must successfully complete a six (6) consecutive-month probationary period prior to obtaining regular full-time status in this classification.

HOW TO APPLY

Interested individuals are encouraged to apply online at <https://jobs.lewiscountywa.gov> and to view application materials and complete job description. Late applications will not be accepted.

Lewis County accepts no responsibility for completeness of applications, the timely delivery or the loss or damage of data when sent by email, fax, U.S. Postal Service, private carrier, delivery service, or other provider. Application materials received by Lewis County become the property of the County.

NOTE: The information for State and Federal Reporting Form is voluntary. By providing this information, you assist the County in meeting state and federal reporting requirements. The information provided on this form is not used as a part of the review and selection process.

WHO MAY APPLY

This recruitment is open to any qualified applicant who meets the minimum requirements and can perform the essential functions, with or without accommodation, and possess knowledge, skills and abilities as identified in the job description. *Preference will be given to the present Teamsters Local Union No. 252 Collective Bargaining Unit, Supervisors Group, members currently employed by Lewis County.*

MINIMUM QUALIFICATIONS

- Bachelor's degree in civil engineering or related field; AND four (4) year's professional civil engineering experience
- Senior Engineer supervising bridge inspections shall obtain a bridge inspection number/license within 12 months of hire.
- Must be registered as a Professional Engineer* with Washington State Board of Registration
- Valid Driver's License

**Engineer in training (EIT) certificate and minimum education/experience adequate for hire at senior engineer-EIT pay grade.*

Desirable Qualifications:

- Previous experience managing contracts in Washington State and small county.
- Previous experience working with WSDOT Local Programs

APPLICATION REQUIREMENTS

The following items are **REQUIRED** for your application to be considered complete and for you to be considered for this recruitment.

- ✓ **Authorization to Release Information**
- ✓ **Cover Letter**
- ✓ **Resume**
- ✓ **Skills testing may be required**

Applicants with disabilities who need accommodation with the application and/or selection process should contact the ADA Coordinator, Human Resources at (360)740-1408 or (360)740-1480 TTY.
